

Washington Electric Foundation

P. O. Box 598
Sandersville, GA 31082

Thank you for your interest in applying for funds to the Washington Electric Foundation and the Operation Round Up program. The Foundation is a non-profit charitable organization whose purpose is to donate monies to organizations for charitable and educational needs in the ten counties served by Washington EMC.

An applicant does not have to receive electricity from Washington EMC to qualify; however, any funds awarded must be 100% used in one or more of the following counties: Baldwin, Emanuel, Glascock, Hancock, Jefferson, Johnson, Laurens, Warren, Washington and Wilkinson. Requests must be from organizations only and must be for specific projects or purposes. Requests for general operating funds will not be accepted.

Please be specific regarding the use of the funds requested. A detailed explanation should be attached to the application. If you are requesting items that will be purchased, documentation showing the price of items to be purchased must also be attached (i.e. vendor quotes, catalog pages, web pages). If your application is related to construction work for your charity or organization, please submit a quote from the contractor as well as expected beginning and completion dates. In addition, a copy of your charity's IRS 501(c)(3) tax exempt organization letter is required for all charitable, non-profit organizations requesting funds. The maximum total contribution to any single entity is \$10,000 in a twelve-month period. An entity can apply more than once as long as it does not exceed the maximum contribution. Any funds awarded are restricted to the specific use in the application only.

Qualified applications are reviewed by the Washington Electric Foundation Board of Directors on a quarterly basis. The Board is comprised of seven volunteer individuals. The Board meets during the months of January, April, July and October. In order for an application to be considered at a Board meeting, it must be complete, include all required attachments and be received by the last day of the month prior to the meeting. See the table below:
